Travellers' Bungalows.

Revised Rules for the occupation of.....Class T. B.

at.....

Order No. G. 14455-504—G. M. 140-23-18, dated 7th May 1924, G. O. No. P. W. 782-45-5, dated 17th October 1927, and Comptroller's Circular No. 242—W. A. D. Mis., dated 17th October 1933 with reference to G. O. No. 4159-95—Mis. F. 15-96, dated 23rd September 1898.

The Bungalows are for the temporary occupation of Travellers.

The fees per diem for each person occupying a separate room is Re. 1-8-0 for a first Class Travellers' Bungalow, Re. 0-12-0 for a Second Class Bungalow. Two or more persons occupying the same room will pay half as much again as the full fee, *viz*, Re. 2-4-0 or Re. 1-2-0 according to the class of Bungalow. Fees at the same rate will be levied for every additional occupation of 24 hours or a fraction thereof, provided that if such fraction relates to the hours between 6 A.M. and 9 P.M. is less than 12 hours, only half fee will be levied therefor.

Travellers passing the night at the bungalow will pay the full fee.

Travellers occupying the Bungalows for more than one hour but less than 12 hours between 6 A.M. and 9 P.M. are subject only to half fee.

Travellers alighting for not more than an hour and taking no meal are subject to no fee.

Officers in the service of Government are subject to the same fees for occupation when travelling on duty as under other circumstances; but those drawing a salary of Rs. 200 and under, as also officers of the Postal Department of the similar status will be charged with half the full fee when travelling on duty.

When an officer drawing Rs. 200 and under and haltingat a Second Class Travellers' Bungalow with his wife, it will be seen, that while the latter must pay Re. 0-9-0 per diem, the former need only pay Re. 0-4-6 for the same period.

When Government Officers drawing not more than Rs. 200 each occupy the same room in a Second Class Travellers' Bungalow, each would pay Re. 0-4-6 per diem.

When none of the joint occupants is entitled to the concession allowed by Rule 6, each will pay Re. 0-9-0 per diem.

When one of them is entitled to the concession above said, but the other is not, the fee will be Re. 0-4-6 and Re. 0-9-0 respectively, as in case 7.

No one may occupy the same bungalow for more than 3 consecutive days.

No person may occupy more than one room, when the others are in demand.

The kitchen for high caste Hindus attached to Travellers' Bungalow is intended to be used by "Vegetarian Hindus" only, and this rule will invariably be enforced.

No part of a bungalow compound may be used, nor may the servants be employed, without payment of the prescribed fees. But a traveller not making use of the Bungalow but merely pitching his tent within the compound or merely using such of the out-houses as are not required by those occupying the bungalow will be charged half the ordinary fee.

Where a traveller does not himself occupy a bungalow or compound but only pickets his horse ponies or bullocks or keeps a motor car in the stable or compound, a fee of Re. 0-2-0 per diem will be charged for each horse, pony, a pair of bullocks or motor car so picketed or kept in the stable or compound.

Travellers are prohibited from sheltering their horses or other cattle or vehicles within the verandahs of the bungalows. The personal baggage alone of travellers will be admitted into the Bungalow compound.

Travellers will be held responsible for damage done by themselves or their servants to the bungalows or furniture or other articles. All articles injured or broken must be paid for, prior to the travellers' departure according to the scale if any, fixed by the Executive Engineer.

The person in charge of each Bungalow is bound to assist travellers in procuring supplies and carriage for ready money.

In the printed form or book kept in the bungalow for the purpose, travellers are requested to enter legibly their names, dates, hour of arrival, departure and amounts of fees paid.

The Executive Engineer is the referee in all cases of disputes. Travellers who have any complaints to make, should address that officer by a letter.

All fees and demands, in accordance with the foregoing regulations, and the mess charges must be *paid by travellers before leaving the Bungalow. Any irregularity, inconvenience or any supposed* cause for exemption from the regulated payment being referred to the Executive Engineer.

It is the duty of the person in charge of the bungalow to report any violation of the foregoing regulations. The Amildar or other public servant on the spot should report to the Executive Engineer any mal treatment of the Bungalow servants and generally any deviation from these rules which may come under his knowledge or be brought to his notice by the person in immediate charge of the Bungalow. The Master will be held responsible for any infringement of the rules by his servants.

For the reservation of the T. B. the Deputy Commissioner of the District, has to be addressed. In accordance with G O. No. P. W. 782-45-5, dated 17th October 1927, half the usual fees should be paid in advance, which will be subsequently adjusted towards the fees due from travellers for the period of actual occupation. In case of non-occupation, the party forfeits the amount with a further liability to pay full rent if there was a demand for the accommodation during the period of reservation

In all cases when the Travellers' Bungalows are occupied by the Palace Officers on duty, rent may not be recovered, unless they travel on their own account.

SIR,

Draft Rules relating to the use of the Mysore State Chattram at Benares by Pilgrims.

In continuation of this office letter No.M.C.80/35-36 dated 31-3-1938 re. the above, I have the honor to state that Mr. N. Lakshminarasimhiah, Executive Engineer, who was deputed to Benares, to check the measurements of the improvements executed to the Chattram Buildir had been asked to prepare a sketch plan and also to suggest rules for occupation of the new Chattram Building. He sends a plan of the new Chattram building at Benares, showing therein suites of rooms that ca be made available for pilgrims to halt and suggests that the new bloc which may be called "Mysore Rest House", may be divided into three blocks as shown in the drawing and that a nominal fee of Re.1 per day fo the occupation of each block, I and II; and a fee of Rs 0-8-0 for the occupation of Block III may be charged to meet the electric and water supply bills.

Two sets of draft Rules--one for the d feeding in the Chattram a and the other for the occupation of the Rest House (new Chattram Buil ing) have been framed and are herewith submitted for the approval of Government.

I have the honor to be,
Sir,
Your most obedient servant,

III. You have asked me to prepare a sketch plan showing the suites of rooms and for suggesting rule for occupation. Plan marked 'A' is the detailed dimension drawing of the Chattram block and the new Guest House at front. I have in my report of 8th September 1938 suggested the rules for occupation of this Guest House, which I think require modification.

The new block may be called "MYSORE REST HOUSE". Mysoreans and their relatives from outside Mysore may be permitted to occupy the House by the Agent of the Chattram, for a period of three days at a time. The Rest House may be divided into three blocks as shown in the drawing. For occupation of block one and block two the nominal fee of Re.1 per suite may be charged to cover the cost of maintenance and pay electric and water supply bills, and for block III, the fee may be fixed at Rs 0-8-0 per day. The permission of the Muzrai Commissioner will be necessary for placing the house at the disposal of the non-Mysoreans and also for stays longer than three days at a time. A fee of Rs 2 per day per suite may be levied in such cases. Non-vegetarian food should not be allowed in the premises.
